

PROFESSIONAL TREATMENTS MENU

PIGMENT BALANCING PEEL 30 minutes R700

A brightening treatment targeting hyperpigmentation to dramatically improve the uneven appearance of photo-damaged skin after a series of 4-6 peels. The treatment combines high-performance brightening and anti-inflammatory agents with a peeling acid solution to accelerate cell renewal and diminish & diffuse localised hyperpigmentation.

Indications

- Melasma and hormonal pigmentation
- Photo-damaged skin and age spots
- Freckles
- Acne-related discolorations

GEL PEEL GL TREATMENT 30 minutes R700

By accelerating the cell renewal process, stimulating collagen synthesis and improving elastin fibres in the dermis, this light chemical peel revitalises photo-damaged skin and helps to reduce the appearance of fine lines and wrinkles. This peel is appropriate as an ideal companion treatment for microdermabrasion or IPL.

Indications

- Rough skin texture
- Dry skin
- Ageing skin

RECONDITIONING AND FIRMING FACIAL (NON-PEEL TREATMENT) 45 minutes R550

Rich in vitamin C and amino acids, the vitamin C firming masque exfoliates the skin while defending against free radical attack. This unique, professional-only treatment is designed to tighten and detoxify the skin, restoring a firm, youthful and radiant complexion. Additionally, vitamin B⁵ replenishes hydration while allantoin calms and soothes sensitive skin, minimising redness and erythema.

Indications

- Mature skin
- Sensitive skin

BLEMISH + AGE DEFENSE FACIAL (NON-PEEL TREATMENT) 45 minutes R550

Blemish + age defense treatment will simultaneously fight adult acne and ageing. The star ingredient, dioic acid, works synergistically with salicylic and glycolic acids. Blemishes are minimised from within the pore and fine lines and wrinkles are smoothed and softened.

Indications

- Inflammatory and non-inflammatory acne blemishes
- Hyperpigmentation or uneven skin tone
- Oily or combination skin
